LIGHTING 2018
CHORD COLLECTION
The CHORD collection draws inspiration from minimalist jewelry, and its metal finishes and details exude the same refinery and elegance. Light emanates into a void, its source hidden in the simple form of a delineated semi-circle; the atmospheric effect of the light emphasized through this geometry. The collection consists of the single chandelier, titled Chord, multiple chandeliers connected linearly, titled Chord Convoy, and a grouping of three chandeliers, titled Chord Cluster. Each Chord module is available in four finishes: gun metal, brass, bronze and white, and are available in three sizes: 36”, 40” and 48”. The chandeliers use flexible LED strip modules, are made in the USA and are UL listed.
PRICE LIST 2018_CHORD CHANDELIER

shown in gun metal
CHORD CONVOY

Chord Convoy is an iterative linear arrangement of the singular Chord pendant. Like a group of comrades, Convoy can exist as a pair or be extended to form an endless line of pendants in varying sizes or finishes. The resulting scalloped fixture is an elegant solution for a linear light.
CHORD CONVOY

FINISHES:
Mottled Brass, Bronze, Gun Metal, Matte White

SPECIFICATIONS:
120V-277V, cULus, CE Rated
Dimmable
LED Temperature: 2500K, 2800K

The Chord Cluster, the latest member of the Chord Family, is a modern reinterpretation of a prevailing form. The elegant semi-circular shapes are reminiscent of the swagging curves of a traditional crystal chandelier. Like its counterparts, Chord and Chord Convoy, the soft glow of light is emphasized by this geometry.
CHORD - 36" DIA. (91.4cm)
